WORK EXPERIENCE

M&T Bank

Buffalo, NY

Corporate Summer Analyst | Mortgage Default Servicing (Single Point of Contact)

June 2026 – August 2026

Office of Mayor Christopher P. Scanlon, Division of Citizen Services

Buffalo, NY

Urban Fellow | Risk Management Intern

June 2025 - August 2025

- Authored policy documents, training curricula, and operational procedures for Buffalo's Financial Empowerment Center, projected to serve 20,000+ residents across all nine council districts
- Streamlined citizen service request workflows through data analysis of 6 historical housing code violation cases, reducing average resolution time from 12 days to 2 days in low-income neighborhoods
- Engineered Python regression models leveraging U.S. Census Bureau data to forecast population growth across 8+ underserved communities, producing visualizations adopted in city planning initiatives

Bank of America Student Leaders - Internship at Buffalo Prep

Buffalo, NY

Compliance/Operations Focus

June 2024 - August 2024

- Built automated Excel/VBA tracking systems to monitor academic progress and program outcomes across 70+ participants, supporting a 98% attendance retention rate
- Conducted 13 structured leadership interviews to assess operational risk across student data systems, strengthening internal reporting and risk mitigation frameworks
- Directed mentorship and progress tracking for 70+ middle school participants, enforcing behavioral compliance and safety standards throughout Buffalo Prep's summer program

Northland Workforce Training Center

Buffalo, NY

Operations and Automation Intern

June 2023 - August 2023

- Programmed Python and Java scripts to automate vehicle registration and inspection data processing, reducing manual entry by 40% and improving tracking systems to recover 25 misplaced vehicles weekly from 250+ fleet database
- Automated validation checks for vehicle service requests, inspection dates, maintenance scheduling, cutting processing errors and turnaround time from 6 days to 4 days across a 250+ fleet database

PROJECTS

Advanced Financial Forecasting Model | Excel, Python, VaR, Power BI

- Automated occupancy-based revenue and cost calculations, modeling P&L trends and scaling projections from \$150K to \$300K+ at 7% CAGR through 2030+
- Built dynamic 5-year Excel projection model for hospitality client with seasonal multipliers, variable cost breakdowns, and scenario-based profitability forecasting

Risk Monitoring & Alerts System | Python, pandas, yfinance

- Built real-time market risk system using Python and yfinance to calculate volatility metrics and flag abnormal conditions across live portfolio data
- Engineered automated alerting and logging pipeline to track risk events and system performance, enabling continuous monitoring and audit-ready reporting

LEADERSHIP

Residence Hall Association

Buffalo, NY

President

December 2024 - Present

- Serving 3-year presidential tenure overseeing \$20,000+ annual budget, directing 40+ campus events, securing NEACURH and NACURH national affiliations, and driving 35% vendor cost reductions

Alpha Kappa Psi, Delta Tau Chapter

Buffalo, NY

Executive Vice President

April 2026 - Present

- Spearhead operations and professional development for 15+ brothers, directing officer coordination and overseeing \$7,000+ in chapter funding while upholding AKPsi's business excellence standards
